

NAPI ENVIRONMENTAL POLICY

In our commitment to the protection and preservation of the environment, Nippon Antenna Phils., Inc. Manufacturer of Cables for Automobile, Manual and Outdoor Antenna, Amplifier and Antenna Element, pledges to adhere with the following environmental policy:

- NAPI commits itself to protect the environment and physical safety and well being of its employees, customers and fellowmen.
- NAPI will take every possible opportunity to continually improve environmental performance at all times.
- NAPI will observe compliance with applicable legal requirements and other requirements to which the organization subscribes to achieve its goals and objectives towards the prevention of pollution and protection and preservation of the environment.
- NAPI shall continually review its environmental policy and targets; this includes conservation of energy, water and other resources used by the organization.
- Napi's environmental policy will be communicated, documented, implemented, and maintained at all levels of the organization and will be made available to the public whenever necessary.
